Frontend Technologies : HTML, CSS, JavaScript, ReactJS, Tailwind CSS, Bootstrap

Backend Technologies : PHP

Database Management : MySQL

Developer Tools : Git & GitHub, VS Code, Android Studio

Version Control & Deployment : Git, GitHub

Other : Communication, Teamwork, Problem-solving

PROJECTS

Online Learning Platform | *Paython, Flask-Framework, SQLAlchemy, JavaScript* *MCA Python Workshop*

- Developed a **learning platform** using **Flask** and **SQLAlchemy**, allowing students to access Python workshop materials and exercises.
- Designed a **user-friendly interface** for course navigation, lecture content, and coding assignments.
- Implemented user authentication and session management, ensuring secure access to workshop materials.

Hotel Room Booking System | *PHP, MySQL, HTML, CSS, JavaScript* *MCA Mini Project*

- Developed an **online hotel room booking system** using **PHP** and **MySQL**, enabling seamless reservation management.
- Implemented **user authentication** for secure login and booking access.
- Designed a dynamic UI to display available rooms, booking status, and user reservations.
- Integrated MySQL database for efficient storage and retrieval of booking details, user data, and room availability.

News Cart | *Next.js, React, HTML, javascript* (<https://newscart.org/>) *Internship Project*

- Developed **NewsCart**, an **AI-powered news platform** using **Next.js** and **React**, delivering real-time and personalized news updates.
- Implemented dynamic UI components for an engaging and seamless user experience.
- Integrated **AI-based content curation**, enhancing news recommendations based on user preferences.
- Optimized **performance and SEO** with **server-side rendering (SSR)** and **static generation (SSG)** in Next.js.
- Ensured **responsive design** and cross-browser compatibility for accessibility across all devices.

Gujarat Prajapati Samaj | *PHP, JavaScript, HTML, CSS* (<https://demo.gujaratprajapatisamaj.com/>) *Internship Project*

- Designed a **responsive and visually appealing UI** for the **Gujarat Prajapati Samaj** community platform using **HTML, CSS, and Bootstrap**.
- Created an **intuitive navigation system** for seamless user experience across different sections of the website.
- Developed a **clean and structured layout** to showcase community events, announcements, and member details.
- Ensured **mobile-friendly design** with cross-browser compatibility for smooth accessibility on all devices.
- Implemented **interactive elements** using **JavaScript** to enhance user engagement and site interactivity.

EXPERIENCE

PM Communication | Frontend Developer Intern Dec 2024 – March 2025

Ahmedabad, IN

- Developed responsive and dynamic UI components using Next.js and React, improving user experience.
- Worked on three major projects: **KnightOne**, **NewsCart**, and **FundedFirm admin panel**, implementing scalable frontend solutions.
